1 When you are travelling with children, family holidays need planning. We organise clubs, activities and supervision for children of all ages. As a result, they have a great time and you don't have to worry about a thing. Children love our holidays, and we love having them along. All our childcare staff are English speaking and have a great number of fun ways to keep children happy. During the morning and afternoon they organise nature walks, face painting, singing sessions and games on the beach. Older children learn how to sail, snorkel, try their hand at windsurfing, practise football, or learn to play volleyball.

2 With over 30 years' experience in the Alps, we know what makes a great holiday. We choose the best Alpine resorts, with lots of snow for you to enjoy. Our hotels are warm, welcoming places that combine hotel-style comforts with the relaxed atmosphere of a chalet. Some hotels are for adults, while others also offer childcare. You'll find good food, wine and company at all hotels.
