PEAKY BLINDERS

- At Peaky Blinders, Thomas Shelby (Cillian Murphy) and his brothers return to Birmingham after serving in the British army during World War I.
- Thomas and the Peaky Blinders, the criminal gang he leads, control the city with an iron hand, building an empire ranging from adulterated horse racing and cargo theft to secret partnerships with the Russians
- While experiencing the political, economic and social transformations of the early 20th century, Thomas must grapple with the traumas of his own past - which seem to plague him daily.
