The Christmas of my dreams

The Christmas of my dreams **is** a Christmas where there **is** a lot of peace and love, harmony between families. That we can know the true meaning of Christmas, the birth of Jesus Christ, go to Mass, and then celebrate in our homes, with a beautiful Christmas dinner prepared with great care, distribute gifts, **is** the most important thing and what many wants is that the epidemic disappears, so we can meet and celebrate with our dear friends and family.
