

# My ideal christmas

By: Fernanda Rayane de P. Ferreira INFO1M

Pablo Vittar is my Nurse  
Noel in my christmas day

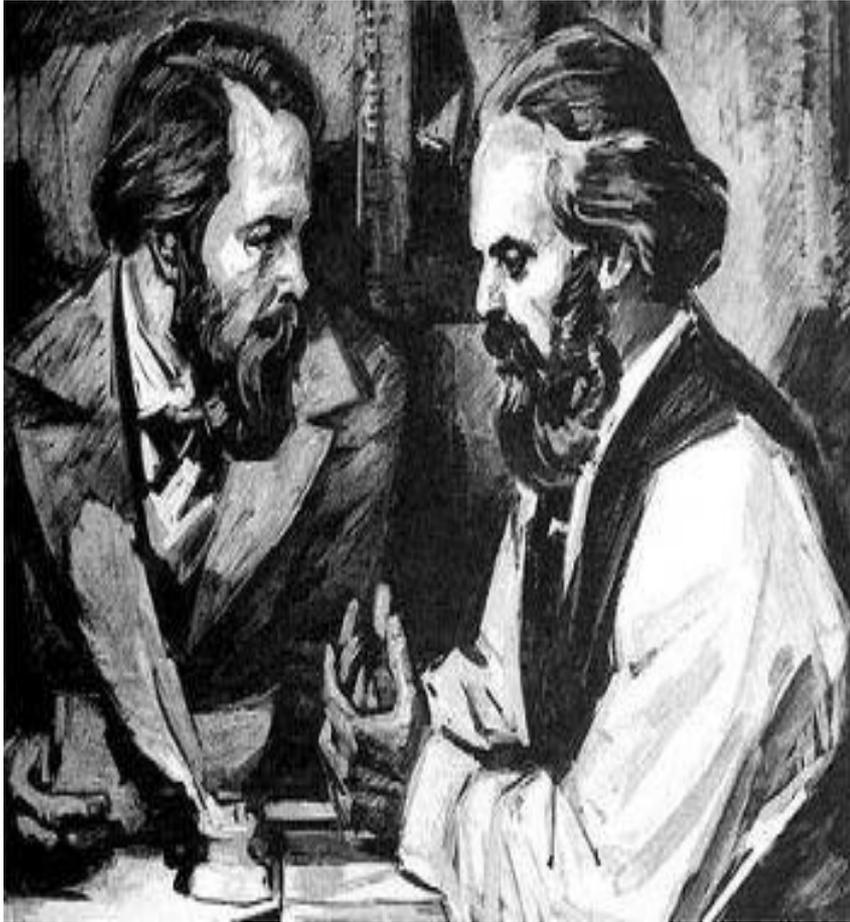

On my christmas, i roll a lot to the  
sound of Anitta's songs

I spend Christmas  
day with my family

on my christmas, me and  
my communist friends  
curse capitalism

on my christmas, Lula  
is my Santa Klaus

I eat a lot for christmas dinner

on my christmas, we  
celebrate love in every  
way

on my christmas...

me and my friends had a lot of  
fun

on my christmas, i run away  
from aunts who ask me “where  
are the boyfriends?”

on my christmas, i  
keep thinking how  
good socialism is
