ACTIVITY:

- ✓ Em grupos de 5 alunos (máximo), escolha uma música cuja letra esteja em língua inglesa (de qualquer cantor/a, banda, grupo, etc.) e faça frases do que **está acontecendo no clipe** (cuidado e bom senso para não trazer algo que vá ferir com a ética, a moral, etc.), ou seja, elabore frases usando o **present continuous/progressive**.
- ✓ Faça o mínimo de 10 frases e máximo de 20 (utilize o máximo de 3min de música para mostrar as frases);
- ✓ Comente caso tenha havido alguma **modificação na escrita** dos verbos ao acrescentar **-ing** e justifique as modificações;
- ✓ O slide deve conter o nome do artista, o nome da música, os componentes do grupo, os prints das cenas cuja ação foi feita a frase;
- ✓ **Divisão do grupo (sugestão):** 2 alunos elaboram as frases, 1 aluno monta os slides, 2 alunos apresentam (um comenta as frases, o outro as modificações dos verbos);
- ✓ Caso desejem tragam um **slide introdutório** sobre o artista/banda contando um pouco sobre eles ou sobre a música (em português mesmo, cite a fonte pesquisada)
