# ★ THE MYSTERIOUS ANIMALS IN THE ★ ★ SANTA LUZIA NEIGHBORHOOD ★

According to the stories **told** by the old residents of the neighborhood, In the past, a horse suddenly **appeared** running through the streets. Some people never **got** to **see** the actual animal, only **listened** to him at dawn. However, some **deceased** residents **said** they **had** already **seen** the animal. In addition to the mysterious horse, there **was** a black dog that **accompanied** the residents every time they **needed** to cross the river and after that the animal **disappeared** out of nowhere.
