

A close-up, slightly blurred photograph of a baby's face, focusing on the eyes and nose. A bright, jagged lightning bolt graphic in a vibrant purple color strikes across the upper part of the image, passing through the baby's eye area. The background is dark, making the baby's face and the lightning bolt stand out.

LENDA URBANA DE  
PEDRO VELHO

---

**IN THE OLD PEDRO  
VELHO, WHICH WAS  
CALLED VILA NOVA,  
THERE IS A HISTORIC-  
SOCIAL LANDMARK OF  
A CRUZEIRO**

A black and white photograph showing a flooded city street. In the background, a church with a tall steeple and a cemetery with several crosses are visible. The water is high, reaching up to the windows of the buildings. The text is overlaid in the center of the image.

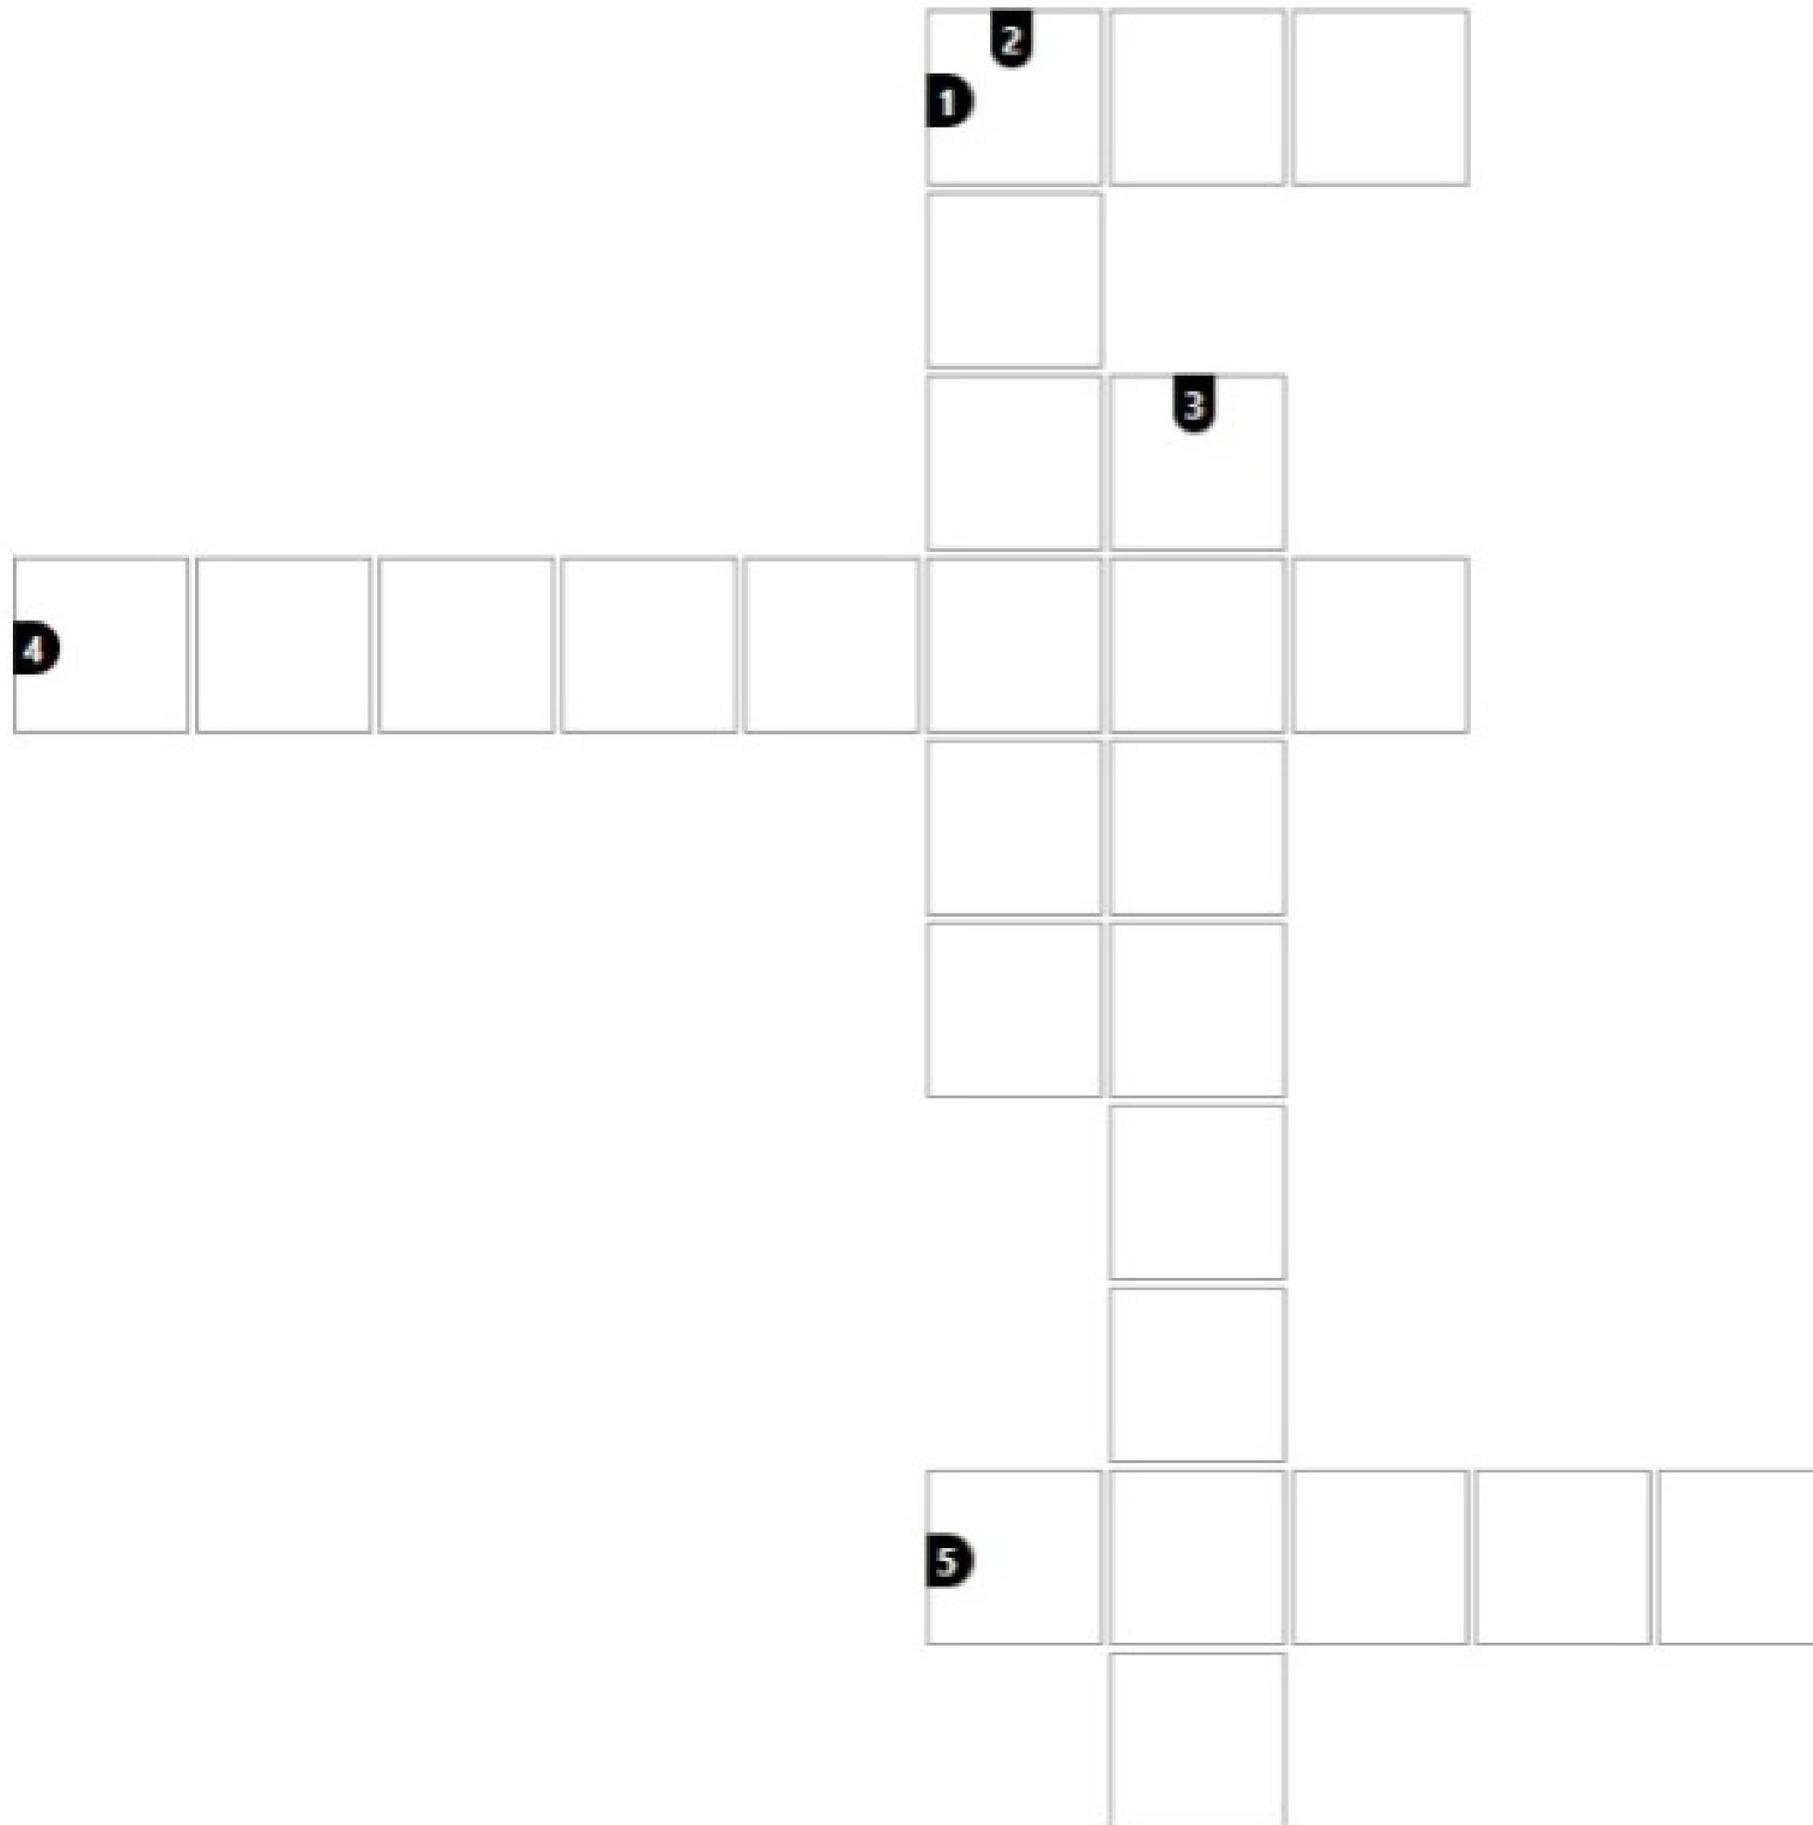

**THE CITY HAD BEEN FLOODED BY  
THE FLOODWATERS, LEAVING  
ONLY THE CHURCH, THE  
CEMETERY AND THE CROSS.**

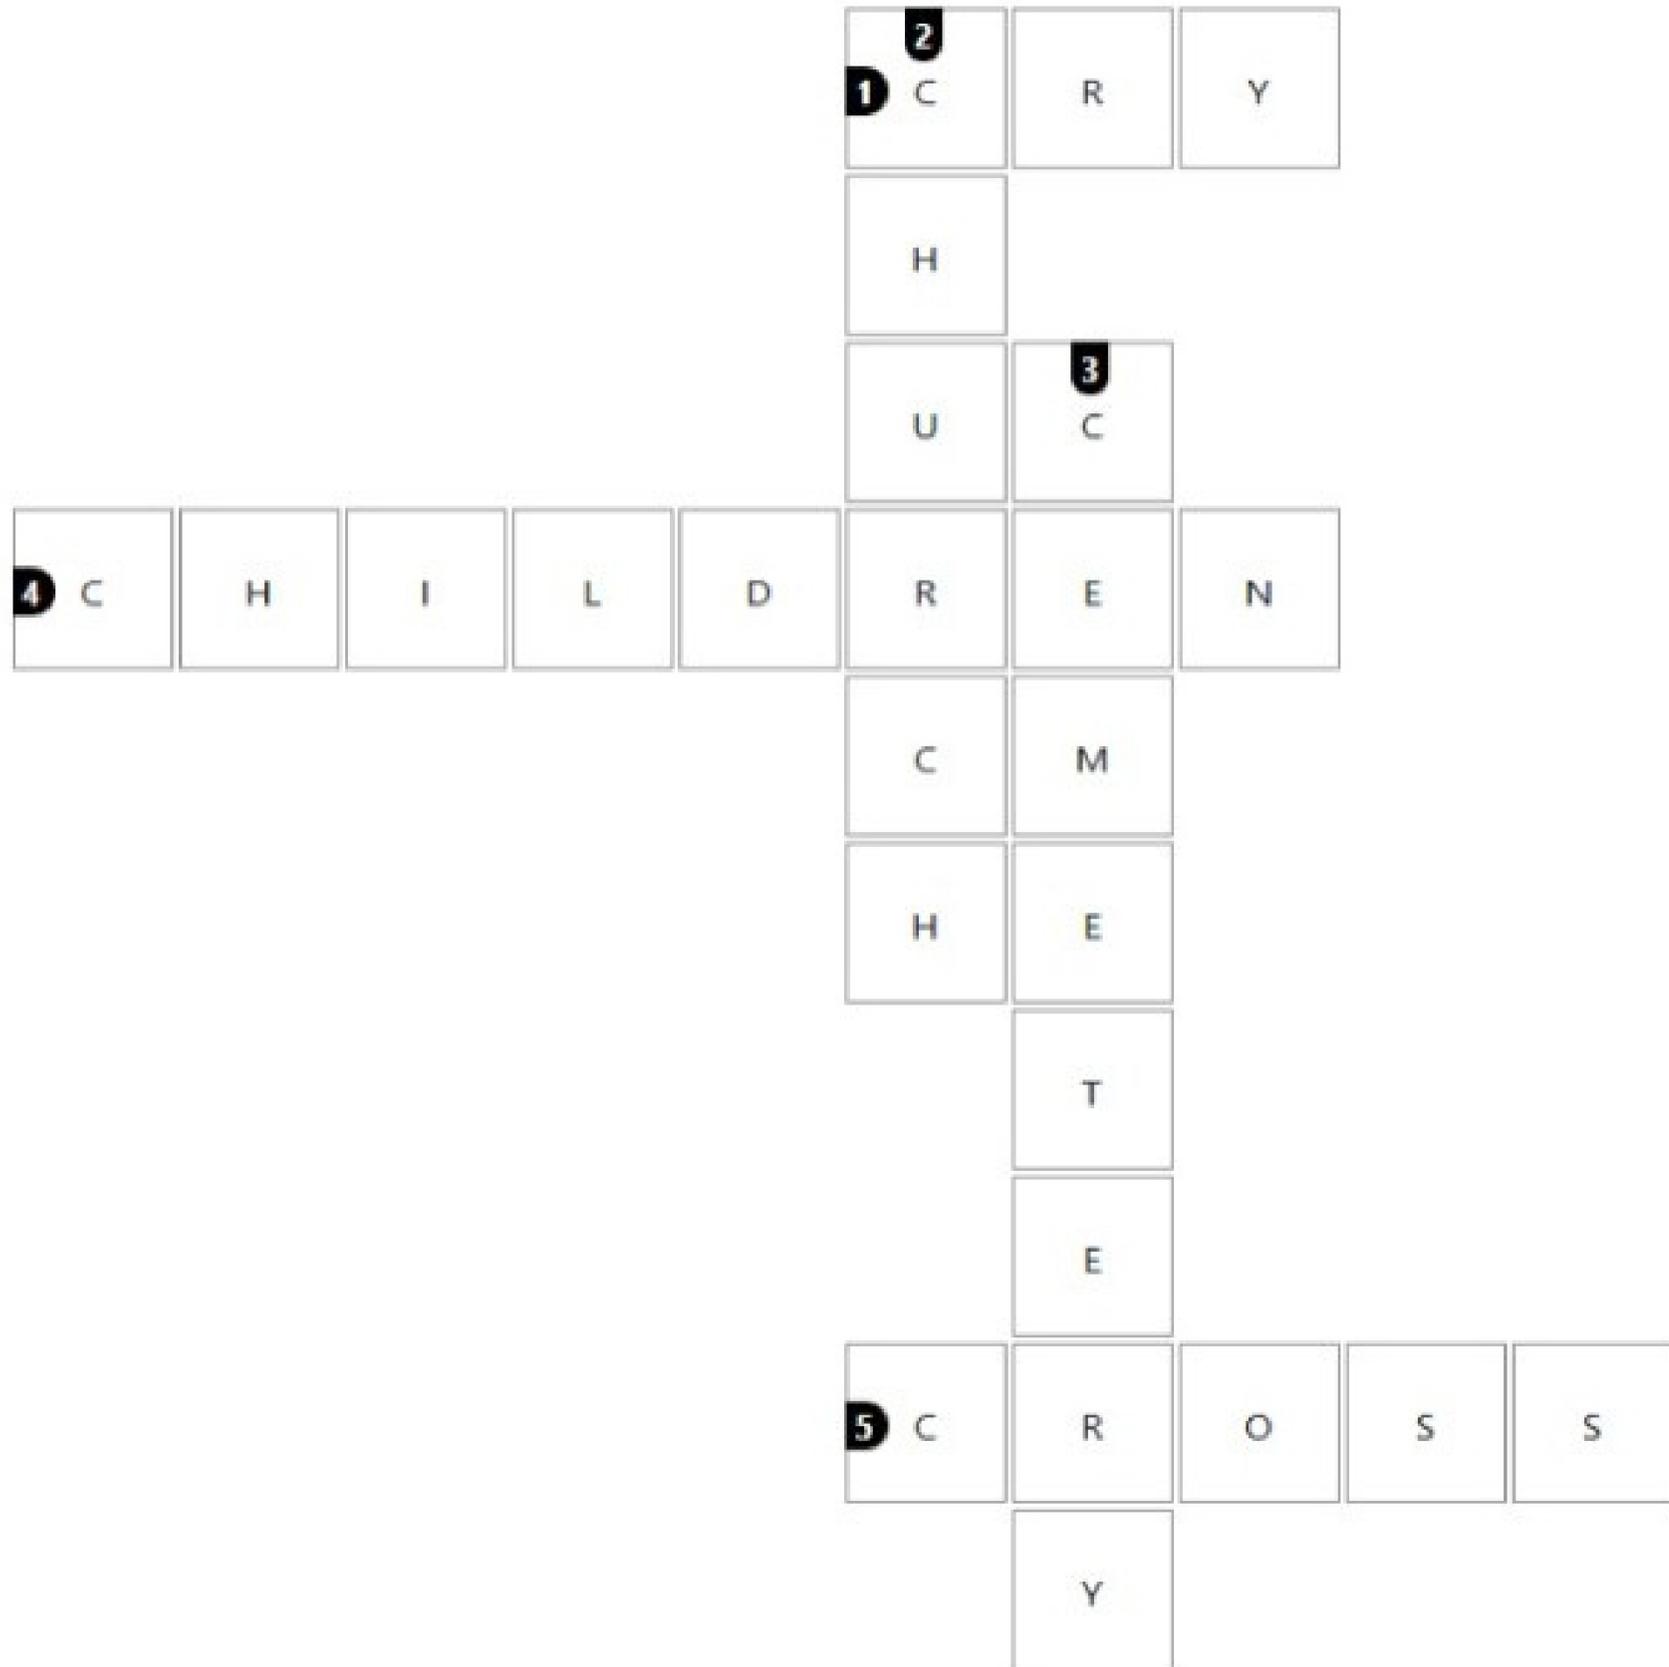

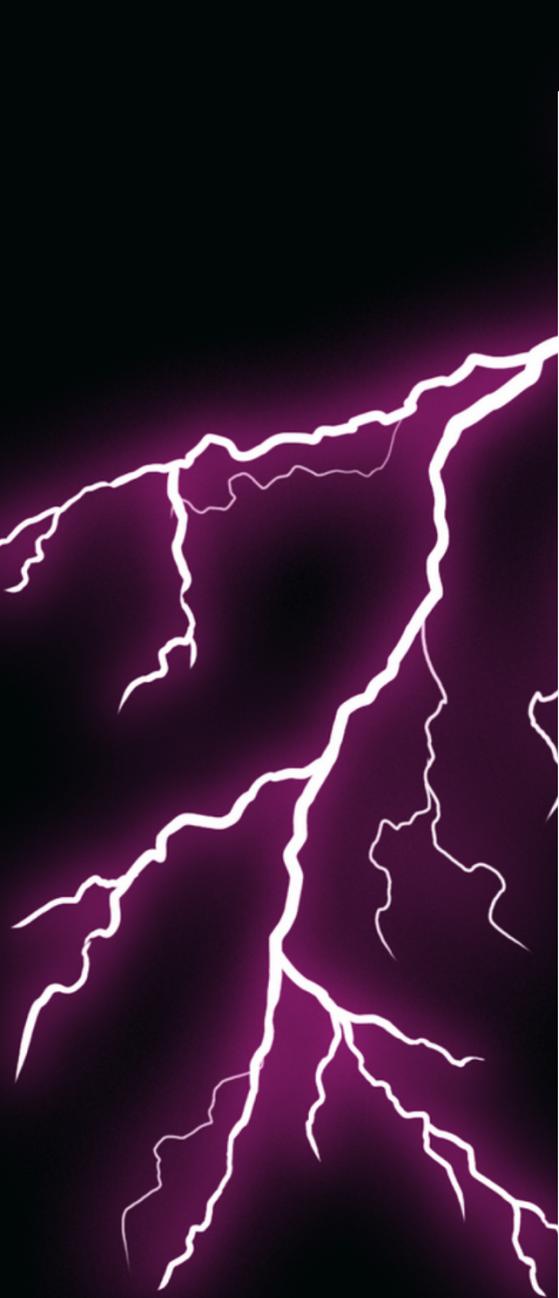

**LEGEND HAS IT THAT  
CHILDREN WHO WERE NOT  
BAPTIZED WERE BURIED  
AROUND THE CRUISE AND AT  
DAWN THESE DEAD  
CHILDREN FALL INTO  
DESPAIR AND BEGIN TO  
SCREAM AND CRY.**
