Análise de War

Bob Marley's song "War" is a strong protest anthem that expresses the artist's commitment to social justice and the fight against racism and oppression. Its lyrics are based on the speech given by Emperor Haile Selassie I of Ethiopia during his visit to the UN in 1963. Marley, known for his Rastafarian activism and his messages of resistance, uses this song as a way to spread the message of equality and peace.
