CREATE ACCOUNT

The image shows a screenshot of the Autodesk 'Create account' form. The form is titled 'Create account' and features the Autodesk logo at the top left. It includes several sections: 'Country' with a dropdown menu, 'Birthdate' with three dropdown menus for Month, Day, and Year, 'Education status' with a link to 'Get help' and a dropdown menu for 'I am a', and 'Account information' with five text input fields for First name, Last name, Autodesk ID (with an information icon), Email, and Confirm email. The form is presented in a light gray box with a close button in the top right corner.

Important License Information

While the Autodesk Educational Version software incorporates all the functionality of our professional licenses, it may not be used for commercial or for-profit purposes, as more fully described in the License and Services Agreement. Term-based licenses of Autodesk Educational software are not eligible for product upgrade or migration to a commercial license. The licensed software obtained on this site may not be installed or used on institutional computers located in classrooms and laboratories (except for an institutional computer assigned to a faculty member by an educational institution for the faculty member's sole use), and may only be installed and used on the personal computer of the eligible Autodesk Education Community member.
